

CMDS
Fayette House

ABOUT CMDS

Established in 2008, CMDS offers management and consulting services for behavioral health programs in Maryland. In addition, we provide housing and support services at Fayette House, residential treatment facilities in Baltimore that offer comfort and care for adult men and women suffering from substance use disorders. CMDS is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF), considered to be the gold standard for accreditation in behavioral health and rehabilitation services.
